MEMORANDUM

TO: Louisiana PRIMA Chapter Members and Potential Members

FROM: Kelley Bourque, PRIMA Coordinator

DATE: January 7, 2019

Greetings! It is time to renew your membership in the **Louisiana Public Risk Management Association (PRIMA)**. For those of you who are not PRIMA members, we encourage you to join the association.

The Louisiana PRIMA Chapter was formed in 1986 by a group of risk managers and others interested in risk management. Its role is to:

- *increase the proficiency of risk and insurance management in governmental agencies at the state and local level*
- *develop a broader understanding of risk/insurance management among public officials and governmental managers and enhance the knowledge and skills of individuals who carry out the risk management function in public agencies*
- *be an educational and research resource for the benefit of governments and political subdivisions thereof including governmental agencies, school districts, and special districts throughout Louisiana.*

Our Fall Conference, just completed on December 13-14, in Baton Rouge, included a discussion on What Your Attorney Wants from Risk Management, Private Public Partnership, Trial by Social Media, The Affordable Care Act, Emerging trends effecting our state and Property State of the Marketplace. Mark your calendars-- we're hoping you can join us at our 2019 Spring Conference scheduled May 2-3, at the Golden Nugget Hotel/Casino in Lake Charles, LA.

Be sure to check out PRIMA's website at www.louisianaprima.org.

As a member, you will receive a discount of the seminar registration fees for 2019. If only one person from the entity joins, then all others from that same entity can register for a conference at the discounted member fee. Also, government employees, who are members, are eligible for scholarships to attend one of the conferences (scholarship pays for the registration fee). If you have any questions, please give me a call at (225) 644-7364. Please return your membership renewal form to me by February 15 by mail, by fax (225) 644-8840, or email kellybourque@hotmail.com.

2019 Membership Application
